

## **ONE YEAR COOLER WARRANTY**

**LIMITED WARRANTY:** We, the manufacturer, warrant for a period of one year after installation or 15 months after shipment, whichever comes first, any equipment manufactured by us to be free from defects in material and workmanship, subject to the terms, conditions and limitations hereinafter set forth. Turmoil's entire obligation under this warranty is limited to repairing or replacing, at our option, free of charge, FOB factory, any equipment or part thereof which in our judgement proves to be defective.

This warranty applies only to equipment that has been installed, maintained and operated in accordance with the manufacturer's recommendations. This warranty does not cover any transportation costs, labor costs, cost of installation or other expense associated with the repair or replacement of the defect or the failure of its products. Any alteration of the equipment by the customer or any use of the equipment for applications not specifically recommended in Turmoil's Engineering Catalog will automatically void the warranty. No goods to be returned without Returns Goods Authorization Tag. The warranty shall not be enforceable against Turmoil if the buyer is in default in making payment required by the contract.

We shall not be liable for any default or delay in performance under this warranty caused by any contingency beyond our controls including war, governmental restrictions or restraints, strikes, fire, floods or reduced supply of raw materials.

The forgoing warranties are in lieu of any other warranties, obligations and liabilities on the part of Turmoil, including without limitation incidental and consequential damages and Turmoil, neither assumes nor authorizes any person to assume for it or any other liability in connection with the sale of the Turmoil Cooler.
